

# Handy Dandy of the Highway

FROM Southampton to Santa Barbara the size-up runs like this:

With those long, sweep-through fenders that come straight from tomorrow's book, this one wears a top-hat-and-tails look all of the time.

But put it up against a picnic, a fishing trip, a shopping expedition, or just a plain job-of-work-about-the-place—and you

find the Buick Estate Wagon the handiest helper you ever ran into.

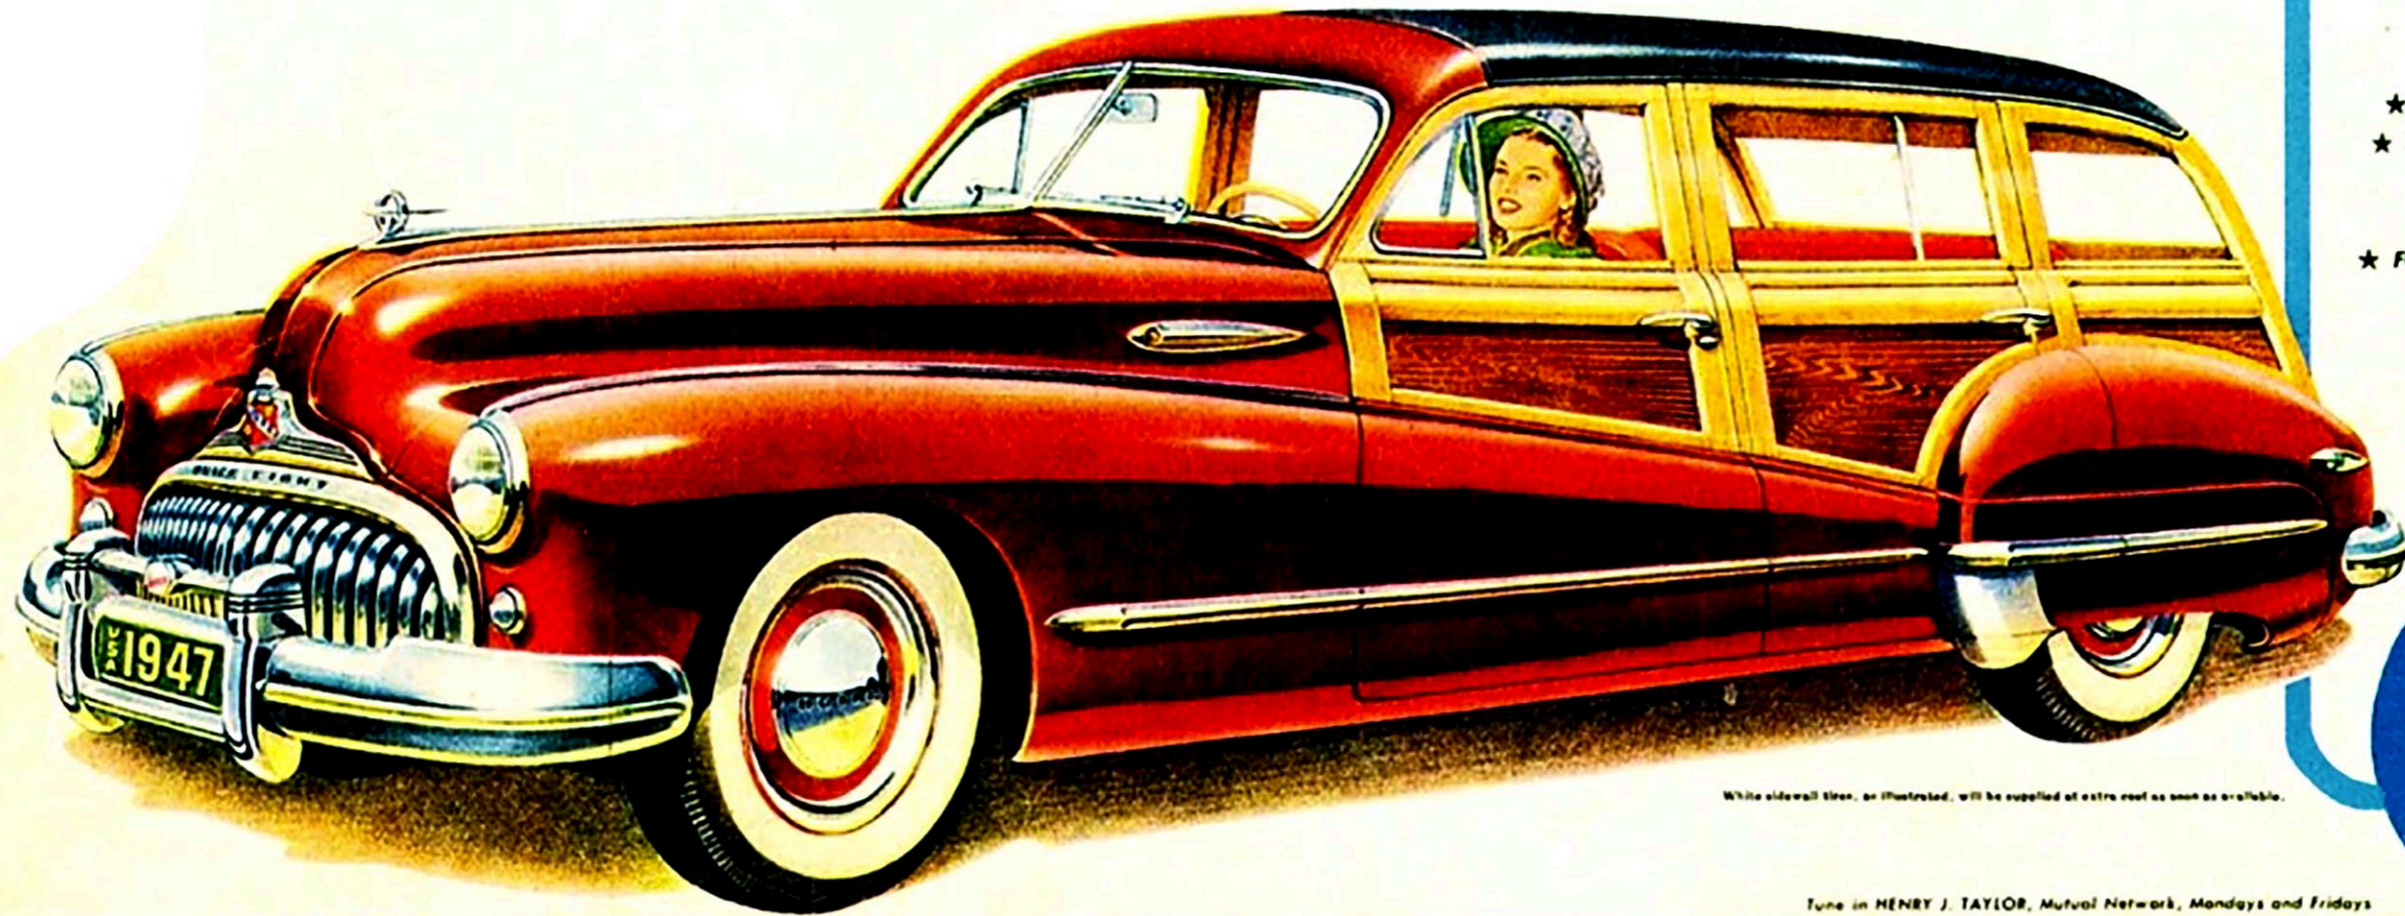

Plenty of lift and lugging power in the abundant horsepower of its Buick Fireball straight-eight. Plenty of smooth comfort, even on back-country roads, in four soft coil springs, one on each wheel.

Plenty of room in two three-person seats—plus a generous loading deck. And so

much ease of handling it's a plain "must" when there's marketing to be done.

At concert or country club, hunting lodge or house party, it spotlights you as one of the select circle for whom Buick—and Buick alone—builds the Estate Wagon.

To join that fortunate group, get your order in without delay.

White sidewall tires, as illustrated, will be supplied at extra cost as soon as available.

LOADS OF ROOM for luggage, hunting gear, beach paraphernalia, golf clubs or what have you. Equally ready to take garden tools, prize shrubs, antique "finds" and provisions for the summer camp. You name it—the Estate Wagon will carry it.
