¹ Manufacturer's Suggested Retail Price for GM vehicles as of 10/4/02. Tax, title, license and optional equipment are extra. ² Estimate based on GM testing. Official EPA estimate not yet available. ³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. ⁴ Gross Vehicle Weight Rating (GVWR). When properly equipped, includes vehicle, passengers, cargo and equipment. ⁵ Always use safety belts and proper child restraints, even with air bags. Children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information. ⁶ OnStar services require vehicle electrical system and analog wireless service to be available and operating for features to function properly.
